

Feature Exhibits Department

This Department has been designed and developed to promote local organizations and showcase and highlight the many accomplishments and activities offered by local community organizations. Booths should display a product, process or procedure of the area represented or shall show the purpose of the organization being represented.

RULES:

1. Booth must be completed by 4:00 pm on Saturday, August 7th.
2. The Napa Town & Country Fair will supply an 8' tall back wall and sidewalls of 3' tall. All materials are made of cloth.
3. No materials may be attached to the provided booth without permission of the building supervisors.
4. All construction materials used in the feature exhibit must be fireproofed.
5. All exhibits must be maintained during the five days of the fair. Failure to maintain feature booths will result in a loss of premium money.
6. Booths may not exceed the allotted space.
7. Limited to one entry per organization or club.
8. If you require electricity, please indicate on your entry form. Please write "NEED POWER" on your entry form.
